

3RD NATIONAL CONFERENCE

VASCULAR TUMORS AND VASCULAR MALFORMATIONS

MARCH 5–6, 2027
VIENNA HOUSE BY WYNDHAM ANDEL'S LODZ

During the conference, seven scientific sessions are scheduled.

Each session will consist of an foreign expert lecture (20 minutes + 15 minutes for discussion) and four Clinical Case Presentations (7 minutes per case).

Each session will conclude with a 30-minute panel discussion.

SCIENTIFIC SESSIONS AND CONFERENCE GUESTS

DAY 1 – FRIDAY

SESSION I: Opening Session

SESSION II: Diagnostic Approaches to Vascular Anomalies

Prof. Miikka Vikkula, Belgium

Professor Miikka Vikkula is an internationally recognized leader in human and medical genetics, with more than 30 years of research at the intersection of molecular genetics, vascular biology, and rare diseases, leader of VASCERN-VASCA.

SESSION III: Challenges in Systemic Therapy of Vascular Anomalies

Prof. Jaroslav Šterba, Czech Republic

Prof. Jaroslav Šterba, MD, PhD is a leading European pediatric oncologist and Professor of Pediatric Oncology at Masaryk University and University Hospital Brno.

SESSION IV: Dermatology

Dr. Carine Van Der Vleuten, The Netherlands

Prof. Carine van der Vleuten, MD, PhD is a distinguished dermatologist and internationally recognized expert in vascular anomalies.

DAY 2 – SATURDAY

SESSION V: Management of Complex Arteriovenous Malformations

Prof. Annouk Bisdorff Bresson, France

Dr. Annouk -Anne Bisdorff-Bresson is a full-time attending in neurointerventional department at Lariboisière Hospital in Paris, specializing in vascular anomalies and rare vascular diseases.

SESSION VI: Interventional and Surgical Management

Prof. Laurence Boon, Belgium

Laurence Boon, MD, PhD is Clinical Professor of Plastic and Reconstructive Surgery at UCLouvain and Coordinator of the Multidisciplinary Center for Vascular Anomalies at the Cliniques universitaires Saint-Luc in Woluwe-Saint-Lambert, Brussels, Belgium.

SESSION VII: Orthopedic Challenges in Vascular Anomalies / Expert to be confirmed

Closing Ceremony and Announcement of the 4th Edition / Patients' perspective and stories, discussion

SCIENTIFIC ORGANIZERS

Chair of the Organising and Scientific Committee of the Conference

Przemysław Przewratil, MD, PhD, Professor of the Medical University of Łódź

Head of the Department of Pediatric Surgery and Oncology, Medical University of Łódź;

Head of the Vascular Anomalies Research Unit

Head of the Chair of Interventional Pediatrics, Faculty of Medicine, Medical University of Łódź

Head of the Section for Hemangiomas and Vascular Malformations in Polish Society of Pediatric Surgeons

Vice-Chair of the Organising and Scientific Committee of the Conference

Ewa Bień, MD, PhD, Professor

Deputy Head of the Department of Pediatrics, Haematology and Oncology,

University Clinical Centre in Gdańsk and the Medical University of Gdańsk;

Chair of the Section for Vascular Anomalies in Children of the Polish Society of Pediatric Oncology and Haematology.
